

Dear Students and Parents,

Welcome to third grade! My name is Mrs. Morrissey, and I will be your teacher for the 2023 - 2024 school year. We will have a wonderful year using both our familiar and new computer programs and technology, along with hands-on books and experiences. Please continue reading over the summer and be ready to share the books you have read. I hope you are as excited as I am about another great year at Wolf Lake!

This year I am also excited about departmentalizing. You will switch classes for reading, writing, and social studies with another third-grade teacher, and I will teach math and science. Through this process, we can focus on intervention strategies as needed and enhance students' learning through enrichment activities.

Parents, please feel free to participate in your child's third-grade year as much as possible. Your participation in your child's educational experiences through regular communication through email, reviewing homework before submitting, and looking over classwork and tests sent home will enrich your child's learning. As always, reading together and discussing books with your child strengthens vocabulary, comprehension, and overall knowledge.

I look forward to seeing you at Meet the Teacher! Please check WLE's Facebook page at [www.facebook.com/WolfLakeElementaryOCPS](http://www.facebook.com/WolfLakeElementaryOCPS) throughout the summer for upcoming dates and back-to-school information. If you have any questions, feel free to email me at [susan.morrissey@opcs.net](mailto:susan.morrissey@opcs.net). Along with this letter, you should find a third-grade supply list. Enjoy the rest of your summer, and get ready for an exciting year!

Sincerely,  
Mrs. Morrissey 😊
