

# MEET THE TEACHER!

Hi and Welcome to Cain's Crew! My name is Ms. Cain and I am going to be your Second Grade Teacher! This will be my fifth year teaching at Wolf Lake Elementary, and my eighteenth year teaching elementary school. I love second grade and all the exploring, researching, and creating we get to do while we learn and have FUN doing it.

I grew up in Sunny South Florida and love to visit relatives there and in Georgia too, where I've also have lived. I have a wonderful dog named Maggie, who loves her "yellow dog" and "Little Dog" stuffed animals that she takes around the house all day long. I also have a kitty cat named Reagan, who sleeps in sun when he isn't cuddled up purring. Enjoying family/friend time and traveling are my favorite things to do!

I have a Master's Degree in Elementary Education and my favorite subjects are Science and Social Studies. I could teach them all day! I can't wait to teach you how to use your reading and math skills to develop research and problem solving strategies to explore the world around us. I love doing innovative projects that allows my more creative side to shine and hopefully yours as well as we dive deeper into second grade standards. We will also be using laptops to create our own BrainPop movies, Google Slide presentations, and more.

We will begin the new year off with establishing a clear, structured schedule as we explore the new technology platforms that digital learning will provide to us. Once we have the basics covered, we will then move into a more creative process as we learn the second grade standards. I have full confidence that we will learn as a team and be successful!

Obviously, it's going to be a very busy year all around, so I hope you're ready to learn, work hard, and succeed as part of our Cain's Crew Classroom Community!

Waiting Patiently,

Ms. Christine Cain

## MY FAVORITES
