

Welcome to fourth grade! I am so excited to work with you and your family this year. It is going to be a year full of fun and learning.

My name is Mrs. Hurst and I am originally from Pittsburgh, Pennsylvania. I went to school at Saint Vincent College in Latrobe, PA and graduated with a Bachelor's degree in Psychology and Elementary Education. After college, I moved to Florida to pursue my teaching career and have been teaching for 20 years....all in 4th grade! I also have a Master's degree from Nova Southeastern University in Marriage and Family Therapy.

This year I will be both your homeroom and your math and science teacher. Math is my absolute FAVORITE thing to teach! Mrs. Jarvis, who we are SO excited to welcome to our Wolf Pup family, and I will be a team and she will be your ELA and social studies teacher. We cannot wait to work together and have plans for a successful school year. It is extremely important to keep the lines of communication open between school and home, so families, please feel free to contact us.

I hope you had a wonderful summer and I look forward to meeting you during our Meet the Teacher event!

Mrs. Hurst  
4th grade—Wolf Lake Elementary
