

## Welcome to THIRD GRADE!

Hello! My name is Nicole Richmond. I am SO excited to be your child's third grade Math teacher for the 2023 - 2024 school year. It is going to be a year full of fun and learning!! I graduated from the University of Central Florida with my Bachelor's Degree in Elementary Education, and my Master's Degree in Teaching and Learning from Nova Southeastern University. However, I am a HUGE Georgia Bulldog fan. (Go DAWGS) 😊

I have been a teacher for 16 years! I have 3 kids...2 daughters that are 13 and 7, and a son that is 10. In my free time I love to spend time with my family, go to the beach, cook, watch my kids play their sports, watch college football, and relax.

I'm excited to get to work with you and your child this year. I can't wait to get to know them and help them become strong math minded kids. It's going to be a great year!

Sincerely,

Ms. Richmond
