

# Welcome to 5<sup>th</sup> Grade

Dear Families:

I will be your child's 5<sup>th</sup> Grade Math/Science teacher. This means that they will have a different teacher for Reading/Social Studies.

Despite this being my first year as a part of the Wolf Pack, this is actually my 10<sup>th</sup> year teaching for OCPS. I have taught 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, ESE, and 5<sup>th</sup> grade. This is my second-year teaching 5<sup>th</sup> grade. I taught at Riverside my very first year, then at Lancaster Elementary for 8 years and taught last year at Citrus Elementary. I have a Master's Degree in education from Stony Brook University in New York. I am also humbled by the warm welcome I have already received here at Wolf Lake Elementary. I look forward to a great start to a new year with many new adventures. I am here for your child and your family however I can be of service to see them succeed. This is also a dream come true to work at this school because I also a resident of this community.

I am originally from Long Island, New York. My entire family still lives there. Although I started my own family down here in 2013. I have a husband named Matt and 3 kids total. I have a son named Christian who is 2 years old. I also have 2 step-children: Preston-10 years old (will be in 5<sup>th</sup> grade here at Wolf Lake), and Cameron who is 8 years old. We also have a lovely dog named Remy who is going to be 10 years old in October. He is super fluffy and looks like a little teddy bear.

I am a very open person and am here in anyway reasonable for your family. You may email me at [Nicole.wallace2@ocps.net](mailto:Nicole.wallace2@ocps.net) or via Class Dojo. I will be setting that up and will have it ready for Meet the Teacher. Look forward to meeting everyone there!

~Mrs. Nicole Wallace~

## Favorites

Favorite Animal- Koala
