

August 16, 2017

Thank you for your interest in joining our WLE STEM CLUB! The purpose of our STEM CLUB is to provide a fun, engaging environment for students to learn about **S**cience, **T**echnology, **E**ngineering and **M**athematics.

Students in grades K-5 are encouraged to apply. Applications will be available in September. Intermediate STEM enthusiasts will meet in the fall and Primary in the spring (dates to be announced). Due to the number of applicants, please have your student complete the application questions in their entirety and all applications must be **STUDENT WRITTEN!!!**
